Acknowledgements

The editorial collective would like to thank the Institut Mémoires de l'édition contemporaine (IMEC) and François Boddaert for granting us permission to publish Althusser's *La Tâche historique de la philosophie marxiste* and an English translation of the text by G. M. Goshgarian.

The translation is a revised version of the one found in *The Humanist Controversy and Other Writings* (Verso, 2003). The editorial collective would like to thank Verso Books for allowing us to publish it here.
